1. **Medical Attention:** I understand that medical attention cannot be immediate in all circumstances. Medical attention will be dependent upon the time needed to remove the person from the program activity area such as a trail in the remote mountains or a river deep within a ravine.
2. **Injury to Persons or Property.** Responsible party agrees that Snowbird Wilderness Outfitters shall not be liable to Responsible party or any other person for any injury occurring in, on, or around the Premises of other locations including, without implied limitation, attorney's fees and/or cost of defending any action.
3. That I/We hereby release Snowbird Wilderness Outfitters, its employees, officers, directors and camp staff and any individual associated with Snowbird Wilderness Outfitters from any and all liability, including all expenses of litigation, which might arise from or be a result of my/our child's participation in the use of the Premises and other locations. I/We further agree to fully indemnify, and hold harmless, any individual or entity herein named from any liability from my/our participation in the use of the premises and other locations and that I/We hereby WAIVE and RELEASE the parties herein named from any and all liability arising as a result or from my/our participation in the use of the Premises and other locations.
4. My signature authorizes the staff at Snowbird Wilderness Outfitters to act for me according to their best judgment in any emergency requiring medical attention. The camper may be transported by camp personnel to medical facilities. I hereby waive and release camp from any and all liability for any injuries or illnesses incurred while at the camp or while being transported by camp staff for medical attention. I understand that participation in camp activities involves motion, rotation and height in a unique environment and as such, carries with it the risk of injury or death. All campers must be covered by their own medical insurance. If the camper does not have insurance, the camper or camper's family assumes liability. All medical expenses incurred will be the responsibility of the camper or camper's family. I have no knowledge of any physical or mental impairment that would be affected by the named camper's participation in the camp program as outlined on the camp website. The camp is not responsible for the personal items that are lost, stolen, or damaged. I also understand the camp retains the right to use any photographs, videotapes, motion picture recordings or any other record of this event for publicity, advertising or for any legitimate purpose.
5. I hereby authorize the physician(s) and staff of any Medical facility to provide such hospital care that includes diagnostic procedures and medical treatment as necessary for the camper while enrolled in Snowbird Wilderness Outfitters. Said medical treatment may be given without any further permission from the undersigned. I also authorize payment of medical benefits for any services furnished to the camper by physicians or staff at the above facilities. I authorize you to release to my insurance company information concerning the health care provided to the camper while attending Snowbird Wilderness Outfitters. In the event of any injury or illness requiring transportation to an independent medical facility, I authorize the release of all medical records generated at the facility to the medical staff at Snowbird Wilderness Outfitters. I understand this will enable a continuity of care upon the camper's return to Snowbird Wilderness Outfitters and will provide staff a means of informing family members of the camper's medical condition. Such records will remain a confidential part of the camper's general record.
